

PMI TAPE

#380 Dual-Tack Pallet Tape

- Sticky on both sides to hold garment in place without having to apply water-based or spray adhesive.
- For screen print & direct-to-garment pallets.
- Adhesive can be re-activated by wiping with a wet sponge.
- Heat resistant & no residue.

Tips for Best Performance

- Trim edges of tape so it doesn't overhang the pallet.
- Trim corners of tape to make loading garments easier.
- Wipe with water and a non-abrasive sponge to extend the life of the adhesive.

Available in 15"x36YD (4rls/case) & 18"x36YD (4rls/case)
